

The professional association
for design.

AIGA's purpose is to further excellence in design as a broadly-defined discipline, strategic tool for business and cultural force. AIGA is the place design professionals turn to first to exchange ideas and information, participate in critical analysis and research and advance education and ethical practice.

AIGA is the oldest and largest membership association for professionals engaged in the discipline, practice and culture of designing. AIGA is committed to stimulating thinking about design, demonstrating the value of design and enabling success for designers throughout the arc of their careers.

Celebrate excellence in design. Promote respect for your profession. Keep up with what is happening in design. Information. Inspiration. Validation. Representation. Education.
